

We will encourage a 'growth mindset' for children and parents

WE CAN DO IT

We will build upon the good quality teaching and learning to provide more outstanding lessons

We will work with parents in promoting e safety in school and at home

'Beat your best' targets
Encouraging children to challenge themselves

We hope to achieve our International Global Award

2016 – 2017

We will continue prepare children for SAT's

We will ensure the large majority of children make good or better progress across the school

We will develop children's grammar, punctuation and spelling skills

We will continue to develop The Den to support children and parents

Good to Outstanding

With parents we will try to encourage the fitness of all pupils

We will encourage children to explain their reasoning when solving problems

We will develop the fluency of children in using number bonds and times tables

We will improve teacher questioning skills to challenge children's thinking and problem solving skills

We will monitor all groups of children to ensure they make similar 'good' progress
